Hi Sideris,

Thanks for contacting Bovada Customer Service.

I don't normally issue bonuses outside my current offers and promotions but I'll be glad to make you a compensation based on the issue with the free spins game. I've issued a \$50.00 bonus to your account and this has been added to your Bonus Balance. This bonus has playthrough requirements.

We're available to help 24/7 if you need anything else.

Thanks,

Bovada Customer Service
