Dear Jan.

I always try to find the best bonuses for you. However, their availability is affected by your account activity and whether there's anything available in addition to the Weekly cashback rewards.

I have noted down your feedback and appreciate it a lot! Enjoy your **€200 bonus cash**, with an X3 wagering requirement; Log in and grab it while it's hot! The maximum bet is €5. You have 3 days until the reward expires.

You can find more information about the bonus by clicking your account icon, choosing "Bonuses," and pressing "Read more."

If you have any questions, don't hesitate to contact me.

Best wishes, Maija.
