Hello there,

Hope that you are well and safe.

Unfortunately, your winnings have been removed because there is more than one account created with the same details. Your last deposit has been reimbursed as an exception.

In order to finish the verification process, please upload a new selfie holding your ID with all details visible.

Thank you for your patience and understanding.

Kind regards,
Alfred

Here. How do I get my reimbursement when I've been restricted?

Hi Johnny,

Hope that you are well and safe.

Thank you for providing the required documentation. We've finalized the review and comparison of the documents and are happy to report that your account status is Fully Verified.

Since you don't have withdrawable balance currently, you will be ready to experience your first Instant Withdrawal as soon as you get one. We are very proud of our nickname: The Instant Withdrawal Kings, and we promise to uphold it.

Your account is active now and your deposit is on your balance.

Thank you for your patience and understanding.

*Kind Regards,
Alfred
